

# Gas outflows and stellar populations in powerful quasars

Carolyn Villforth  
University of St Andrews

Paul Hewett, Vivienne Wild, James Allen

# Do quasar outflows depend on host stellar populations?

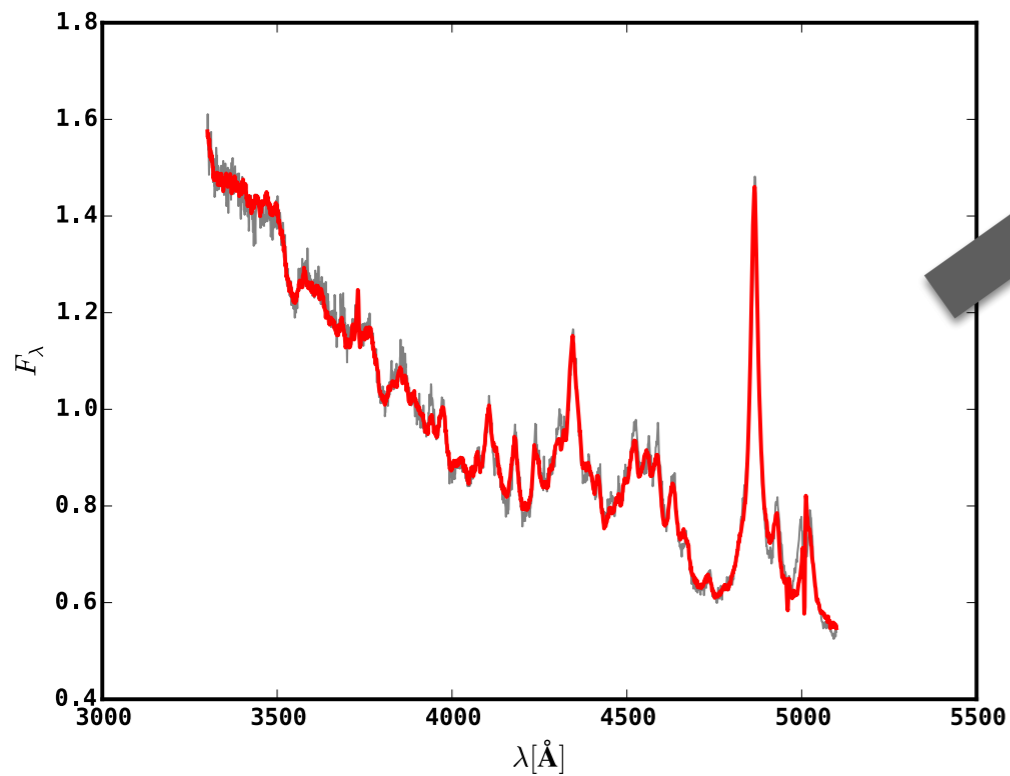

# Do quasar outflows depend on host stellar populations?

## Outflows

Measure outflows in [OIII]

Relatively Easy

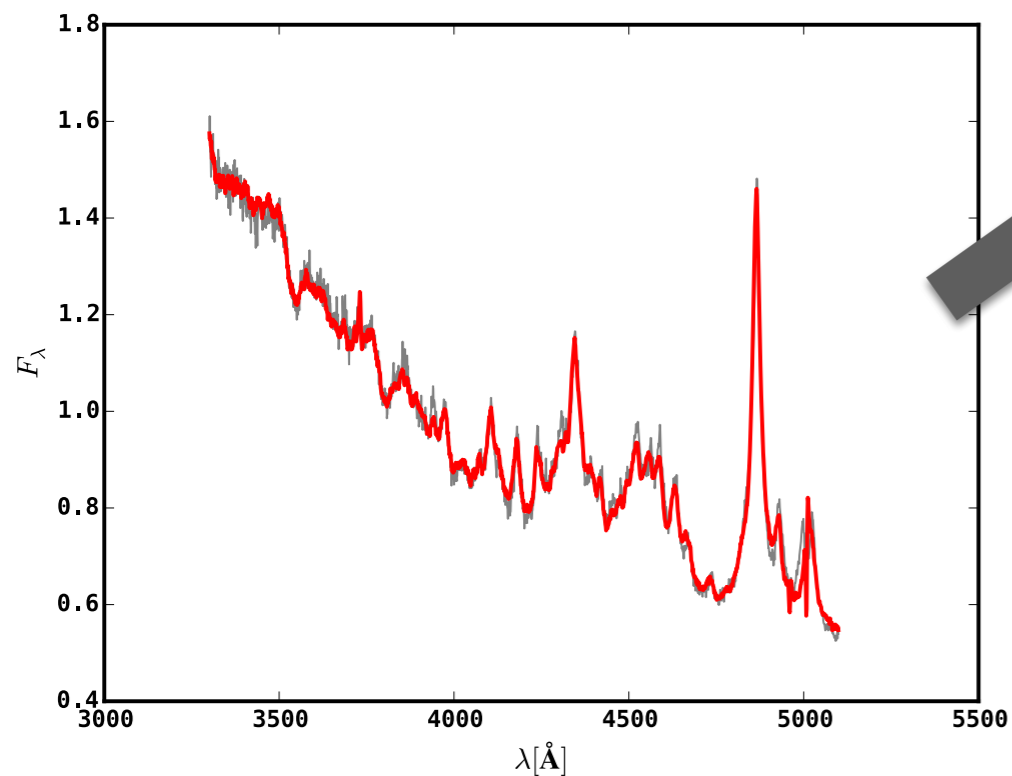

# Do quasar outflows depend on host stellar populations?

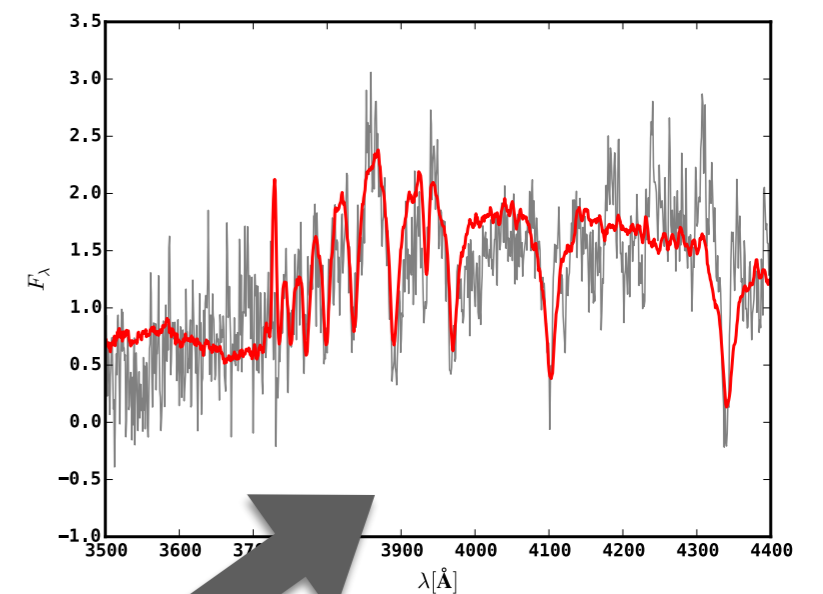

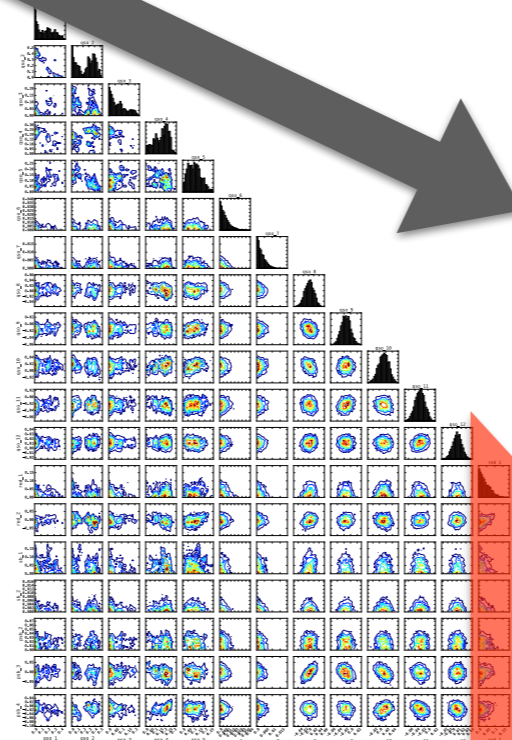

## Outflows

Measure outflows in [OIII]

✓ Relatively Easy

## Stellar populations

# Do quasar outflows depend on host stellar populations?

## Outflows

Measure outflows in [OIII]

☑ Relatively Easy
